Pre-header: Take the 2026 National Student Survey

Dear student,

There's not a lot of time left for you to take the 2026 National Student Survey!

Be sure to participate before the closing date on 8 March. Your feedback will help your institution take targeted action to improve your course programme. Plus you're letting prospective students know about your experience with your programme.

It will only take about 8 to 15 minutes to share your opinion!
