### **Q19 STUDYING UNDER SPECIAL CIRCUMSTANCES**

The following questions are about studying under special circumstances. This could be anything: maybe you have poor concentration, a disability, reading difficulties, ADHD, stress or worries about money. Maybe you're faced with buildings that are not accessible to you. Or perhaps you're combining your studies with caring for a loved one, running a business, or a career as a top-level athlete.

For us to comply with the General Data Protection Regulation (GDPR), we'd like to ask for your permission to share your answers with your educational institution and certain research institutions. Through your answers, your institute may be able to link your information to you as an individual. This data would only be accessible to researchers. Teachers and other staff involved in your course programme only receive data of groups of students, not of individuals.
